

REMARKS

Reconsideration and allowance of this application are respectfully requested in light of the above amendments and the following remarks.

The Applicant acknowledges with appreciation the indication in the Office Action that claims 1-11 are allowable. Claims 1-11 have been cancelled in favor of new claims 12-15. Claim 12 recites features of allowable claims 3 and 7. Claim 13 recites features of allowable claims 3 and 8. Claim 14 recites features of allowable claims 9 and 10. Claim 15 recites features of allowable claims 9 and 11. New claims 12-15 have been drafted in the manner suggested in the Office Action to avoid the issues underlying the objections, indefiniteness rejections, and section 101 rejections applied to the original claims.

The specification has been amended in the manner requested in the Office Action for overcoming the objection applied to the drawings. No new matter is believed to be introduced by the amendment of the specification.

In view of the above, it is submitted that this application is in condition for allowance and a notice to that effect is respectfully solicited.

Respectfully submitted,

/James Edward Ledbetter/
